埕頭港國小

Ditougang Elementary School

本校於 1934 年創校於鹽水地區埕頭港庄頭，因地處急水溪南端，故原名河南國小，2008 年為突顯人親土親與在地情感的鄉土情懷，乃申請回歸庄頭地名，更改校名為「埕頭港國小」，校園以急水溪意象為庭園造景，結合師生創作陶板美化環境，佐以台語唸謠打造環校步道，是充滿文學美感與人文藝術的優雅校園。

學校迄今創校 92 週年，溯源其建校契機為當年庄頭內張氏與陳氏兩大家族聯合捐地、捐款興建校舍，因此學校雖校地面積小，卻是座落於庄頭中心與社區緊密互動，有著建校美談且具藝文特色的優美小學。

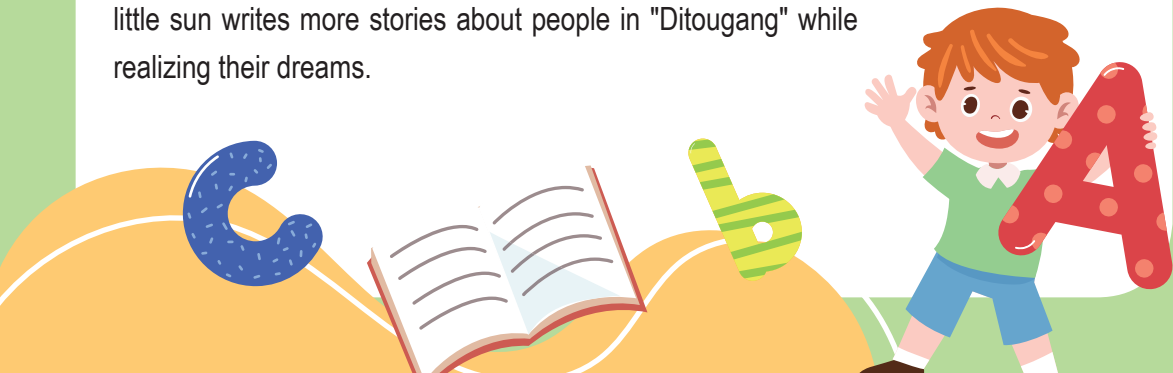

學校雖小特色卻不少，本校傳承社區百年宋江文化特色，結合校內教學團隊成員專長及融合學校、社區特色資源，以「『藝』綻埕頭展風華」為題，融入領域教學發展亮點，並引導學童由在地文化出發，將學習場域延展至社區，形成情感連結與文化認同，豐富了偏鄉小校學童的學習動能，每一位師生經過教與學的互動歷程，所展現的活力與自信，就是一個個發光、發熱的微笑小太陽，在實踐夢想時，書寫出更多在「埕」人的故事。

The school was founded in 1934 in Zhuangtou, Ditougang, Yanshui District. It was originally called Henan Elementary School because it was located at the south end of Jishui Creek. In 2008, in order to highlight the local sentiments of people and local sentiments, it applied to return to the place name of Zhuangtou and changed its name to "Toutou Gang Elementary School." The campus is landscaped with the image of Jishui Creek, and the environment is beautified with ceramic panels created by teachers and students, and the walking path around the school is created with Taiwanese chants. It is full of literary beauty and humanities An elegant campus for the arts.

The school has celebrated its 92nd anniversary since its founding. The reason for its founding can be traced back to the time when the two major families in Zhuangtou, the Zhang family and the Chen family, jointly donated land and donated money to build the school building. Therefore, although the school is small, it is located in the center of Zhuangtou and interacts closely with the community. It is a beautiful primary school with beautiful stories about its founding and artistic characteristics.

Although the school is small, it has many characteristics. The school inherits the century-old Songjiang cultural characteristics of the community, combines the expertise of the school teaching team members and integrates the unique resources of the school and the community. With the theme of "Art", it integrates the teaching development highlights in the field and guides the students to start from the local culture and extend the learning field to the community to form emotional connections and cultural identity. It enriches the learning motivation of the students in rural primary schools. Through the interactive process of teaching and learning, each teacher and student shows vitality and confidence, one by one shines and develops. The hot smiling little sun writes more stories about people in "Ditougang" while realizing their dreams.
